ACAB'c in short

Accredited Conformity Assessment Bodies – Council (association)

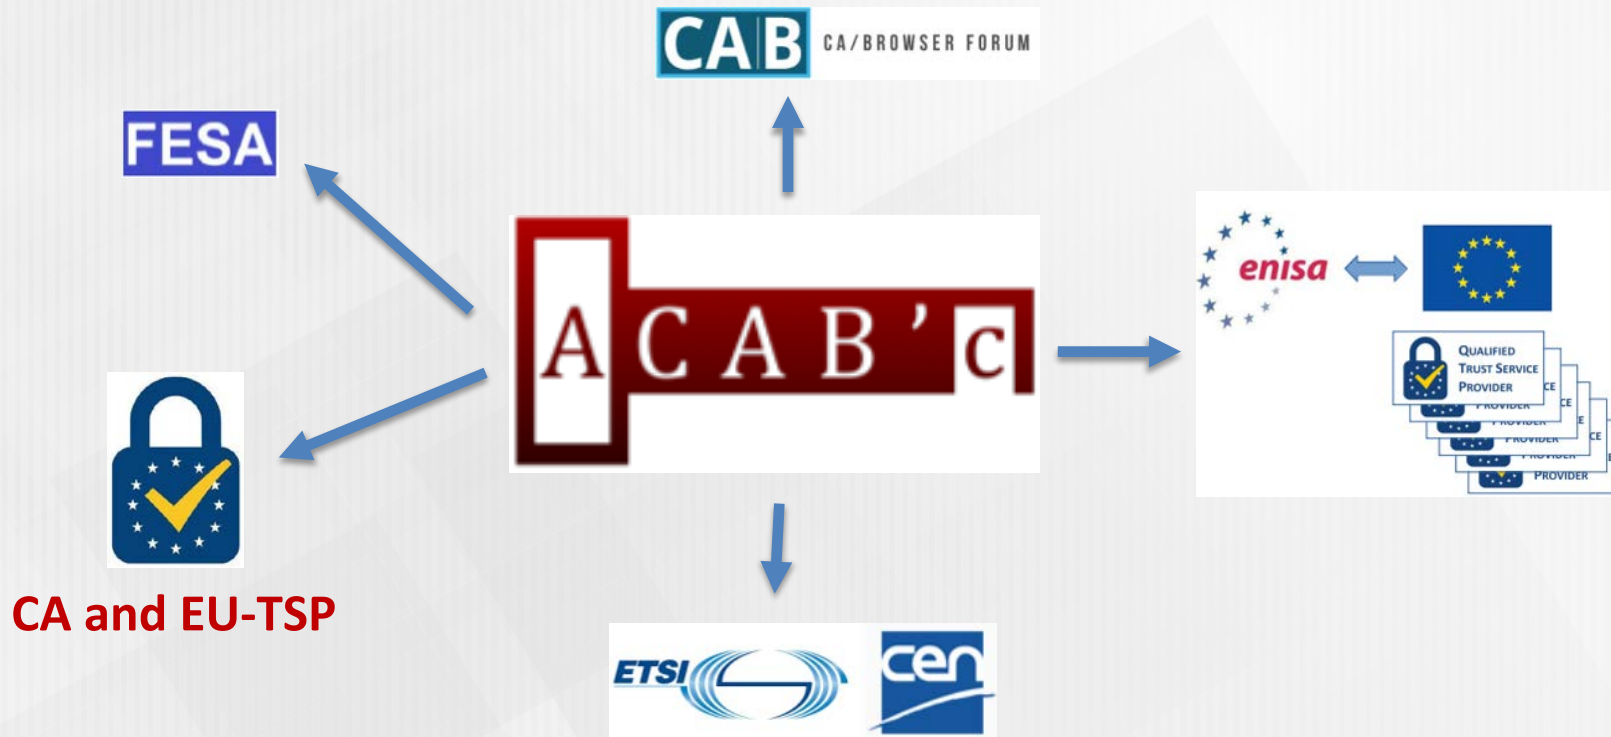

Objective:

To harmonize amongst accredited conformity assessment bodies (CABs) a comparable/standardized application of conformity assessment requirements (ETSI, CEN, CA/B Forum, eIDAS, etc.)

Services for ETSI Auditors/CAB

- working documents (harmonized)
 - Conformity Assessment Report (EU-CAR)
 - Audit Attestation (CA/B-Forum Browser requirements)
- position papers and herewith guidance on standard interpretation
- experience exchange

The image shows a template for an Audit Attestation Letter (AAL). The document is titled "Audit Attestation for name of the audited company". It includes a reference to a unique identifier and a section for contact information. There are two blue callout boxes with annotations: one pointing to the "Place issuing date" field and another pointing to the "critical findings, dates" field. The document also includes a signature line and a footer for "CAB Pageage".

Space LOGO CAB

Audit Attestation for
name of the audited company

Reference: No. unique identifier

Place issuing date

Comment [12] Only the following date formats are accepted: the number of occurrences of days throughout the attestation.
