

Chrome Browser Update

CA/Browser Forum F2F 54 (Virtual)

Oct 13, 2021

Chrome Root Policy

- <https://g.co/chrome/root-policy>
- Status Update
 - Continuing engineering on launching across Chrome platforms
 - Inclusion Requests
 - Continuing to accept requests for inclusion.
 - Requests are being prioritized based on factors mentioned in the policy. If you're requesting inclusion, please share details that would assist us in prioritizing your request.
 - Not able to provide updates on inclusion requests at this time, as the focus is on the remaining engineering work.
 - For those with pending requests that have been acknowledged, we'll be in touch prior to shipping by default.
 - Incidents
 - Continue to send incident reports to chrome-root-authority-program@google.com.

Other Root Programs at Google

Android

- [File a bug](#) in the “[Libcore](#)” component

GMail

- No defined process/PoC currently, we'll provide an update to the management@ list
