Network Security Working Group

Clint Wilson - clintw@apple.com
October 2022
Continuing Efforts

• Threat Assessment
  - Reached another point where it is ready to review
• NSRs and Definitions
  - Definitions and Glossary Working Group Charter Draft
• Improving formal understanding of security requirements for different components of CA infrastructure
  - Setting separate security requirements for the specific infrastructure which is not connected (i.e. “air-gapped”) to the rest of the CA’s infrastructure
