  - **Agreed** to create a separate category for probational CAs

- Consolidate Root CA Issuer and CA Issuer
  - **Agreed** to keep only the CA Issuer category

- Subcommittee minutes need not be published on the public web site
  - **Agreed** they must be posted to a public mail list

- Where should minutes be published?
  - **Agreed** that they should be posted to each WG’s Public List
Topics under discussion

- Remove the “actively” issuance of certificates
  - Proposal: “In addition, the member organization issues certificates to Web servers that are openly accessible from the Internet, such certificates being treated as valid when using a browser created by a Certificate Consumer Member.”

- Remove the “third-party” website requirement for SCWG
  - Proposal: “The URL of at least one website that includes a certificate issued by the Applicant in the certificate chain.”

- Adding minimum days for review of minutes for regular teleconferences and F2F meetings
  - Proposal: “Draft minutes shall be circulated at least seven (7) calendar days prior to a vote for approval”. Perhaps ok with five(5)?
